Join The Virtual CXO

Partner Programme for Senior Leaders, Advisors and Domain Experts

The Virtual CXO is a curated leadership-as-a-service platform for businesses that need senior leadership capacity without the delay or rigidity of full-time CXO hiring. This note explains how accomplished professionals can join the platform as Virtual CXOs, specialist advisors, transformation leaders or referral partners.

For senior leaders

Offer CXO-grade capability through structured, mandate-based engagements.

For businesses

Access leadership support across strategy, finance, technology, operations, revenue, people and governance.

For the platform

Maintain quality, confidentiality, brand governance and execution discipline.

For clients

Receive curated senior support matched to context, stage and outcomes.

Who should apply?

The programme is meant for people who can credibly operate at senior management, founder, promoter, board or investor interface level.

Former or current CXOs CFOs, CTOs, CIOs, COOs, CMOs, CHROs, CROs, CISOs, CSOs, business heads and strategy leaders.	Functional experts Deep specialists in finance control, GTM, technology, cyber, AI, data, HR, legal, compliance, PMO or operational excellence.
Transformation leaders Professionals who can run cross-functional change, governance cadence, dashboards and execution reviews.	Referral / alliance partners Senior networks and advisors who can originate qualified mandates or co-create market-facing offerings.

Preferred fit signals

- 15+ years of professional experience, preferably with executive leadership exposure.
- Evidence of measurable outcomes, not just advisory credentials.
- Ability to work in fractional, confidential, mandate-based environments.
- Comfort with founder, promoter, board, investor and CXO-level conversations.
- Strong written communication, governance cadence and execution follow-through.
- Willingness to operate under The Virtual CXO brand, quality and confidentiality standards.

This is not positioned as a job board. Inclusion in the bench should not be treated as employment or as a guarantee of assignments.

Partner tracks

1. Virtual CXO Bench Member Role-based executive support as Virtual CFO, CTO/CIO, COO, CMO, CHRO, CRO, CISO, CSO, Chief of Staff or Transformation Lead.	2. Specialist Advisor Focused advisory or implementation support in areas such as fundraising readiness, cyber governance, AI adoption, HR systems, MIS or GTM.
3. Transformation Program Leader Execution-led PMO, program governance, dashboarding, change management and cross-functional operating rhythm.	4. Referral / Alliance Partner Senior ecosystem relationships, industry access, client introductions or co-created offerings with The Virtual CXO.

Onboarding workflow

01	Expression of interest
02	Profile screening
03	Interaction and role mapping
04	Conflicts and availability check
05	Governance onboarding
06	Mandate matching

Commercial and governance models can vary by mandate. They may include retainer, project fee, milestone-based pricing, success-linked elements or blended models, subject to client context and partner agreement.

Application checklist

- Updated CV or one-page leadership profile.
- LinkedIn profile URL and contact coordinates.
- Preferred Virtual CXO role or advisory category.
- Industries served and sectors to avoid due to conflict.
- Indicative availability: weekly hours, monthly capacity or project-based availability.
- 2-3 measurable outcomes across revenue, margin, cash, governance, digital, people or turnaround.
- Commercial expectations and preferred engagement model.
